This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordina-

ry cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known. UNITED STATES OFFICER .- Cap', G. W. McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate. It tells its own story : Rahway, January 25, 1847. A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced

to Hy Dr. Townsend's Sarsaparilla, and after taking two

three bottles I was very much relieved, and attribu it entirely to the said Sarsaparilla I have continued to king it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W McLEAN. THE EDITOR -John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarked in an editorial as follows: The success of Dr. Townsend's preparation of Sarsa-

parilla appears to be of the most extraordinary characpublish to-day two certificates in its behalf. one from Capt. McLean, of this town, and one from Rev. Mr. White, of Staten Island, a gentlemsn well known in Mr. White, of staten Island, a gentlement were known in Rahway.—Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would no praise so s rough what they did not fully believe to descrive it.

BLAIIK CHECKS—A next as it. SCHOFULA CURED .- This certificate was handed in to . Townsend's office this week, and conclusively prove

one house is unprecedented. THREE CHILDREN. Dr. Townsend-Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four botties; it took them away, for which I feel myself under deep obligation. Yours respectfully, ISAAC W. CRAIN, 106 Wooster street. New York, March 1, 1847.

RHEUMATISM & THE PILES. September 10, 1846. Dr. Townsend-Dear Sir; My wife has been for seveny different remedies to obtain some relief, but all to no rpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. We procured some of it from your agent (Mr. Van Buskirk and it gives me pleasure to state that after using it she experienced great relief, and was in a very short time perfectly cured. I was also (together with a man in my employ) badly troubled with piles, and by using a small intity of your Sarsaparilla, our complaint was completely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial.

Clergymen and Physicians .- As well as thousands of others in all parts of the United States, are continually sending certificates and informing us of the benefits | the Odd Fellow's School. rived from Dr. Townsend's Sarsaparilla. Dr. Townsend-Sir: Some time since you requested my opinion of the virtues of your compound Syrup of Sarsaparilla; I am now prepared to give it. I have used it in my practice and prescribed it for the last few months, and musi give it my decided preference over anything of the kind with which I am acquainted, both as to its medical virtues and the reasonable price at which you sell it. In scrofulous affections, cutaneous eruptions generally, dyspepsia, indigestion, costive habits, and liver complaints, I am much pleased with its effects. In these complaints, or any other where scrofula is indicated, I can with confidence recommend it to for removing diseases in some of its most troublesome orms, and to all, as a safe and valuable medicine.

Brooklyn, Nov. 21, 1846. BENJ. WEEKS, M. D.

Dr. Townsend—Dear Sir: Having for some time past een afflicted with a pulmonary affection on my lungs, and a continual pain in my side, owing to evening exposure in travelling after preaching, and finding my dis ease to increase, with much difficulty of breathing and other alar, ning symptoms, I was advised by a clergy man, did so, and after taking two or three bottles I found myself relieved. My appetite has been restored. I find

ALMOST A MIRACLE. Read the following, and doubt if you can, that conumption cannot be cured. This is only one of the sev eral hundred cases that Townsend's Sarsaparilla has Brooklyn, Sept. 14, 1840. Dr. Townsend-Dear Sir: I was taken, a little over year ago, with a severe cough and a pain in my side. I increased on me very fast, indeed. I was pronounced physicians to have the quick consumption. I raised ge quantities of bad matter, had night sweats, and sinking very fast: my doctor said he could do nothing or me. I went into the hospital in hope of being bene fitted, but was pronounced there as incurable I was

now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die was confined to my bed, and was obliged to have watch e:s; indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of rem edies, and all seemed to be to no purpose. I read of some most extractionary cures performed by your medicine, and to tell you the truth, I suspected there was ome humbug in them. But I was induced to try it; lid so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered as to be abo my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have, left me, and raise but very little, and am fast gaining my usual strength. I felt it a duty to give you

a statement of my case, to publish if you please. PETER BROWN, 47 Little-street, Brooklyn.

GREAT FEMALE MEDICINE. Dr. Townsend's Sarsaparilla is sovereign and speedy cure for incipient consumption, barrenness, leucorrhea, or whites, obstructed or difficult menstruation, inconmence of urine, or involuntary discharge thereof, and or the general prostration of the system-no matter whether the result of the inherent causes, or produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects upon the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately

unteracts the nervelessness of the female frame, thich is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have een reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offsprings. Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continual-ly by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known
